

Job Description

Royal Group Securities Plc. (RGS) is a trusted underwriter and financial advisor in Cambodia's securities industry and a subsidiary of the Royal Group of Companies, one of the nation's largest and most diversified business conglomerates. Leveraging our extensive expertise and strong foundation, we provide exceptional financial advisory services such as fund raising through IPO, bond issuance, M&A, brokerage transactions. In 2024, we were awarded the “Best Underwriter” by the Cambodia Securities Exchange, and the “Securities House Award for Best Fixed Income in Cambodia” from Euromoney.

Royal Group Securities is launching Cambodia's first-ever government-approved international investment platform under the brand name “Royal Group Global Market”, where Cambodians can now safely and securely invest in international stocks, such as Apple, Google, Facebook, while being protected under Cambodian laws. **We want you to be part of this historic transformation in the Cambodia's capital market.**

We are looking for qualified candidates to join our team in the following positions.

Position : - **IT Manager**
Department : - **Back Office**

Responsibilities:

- Oversee the overall IT infrastructure, systems, and security to ensure reliability, efficiency, and compliance with industry standards.
- Manage and lead IT team members in maintaining, troubleshooting, and upgrading hardware, software, and networks.
- Ensure data protection, cybersecurity, and backup systems are effectively implemented.
- Collaborate with management to align IT strategies with business objectives and support digital transformation initiatives.
- Manage IT vendors, service providers, and system integration projects.
- Develop and enforce IT policies, procedures, and best practices.
- Provide technical support and training to staff to improve system utilization and digital skills.
- Monitor system performance and recommend improvements to enhance productivity and security.

Requirements:

- Bachelor's degree in Information Technology, Computer Science, or a related field (Master's degree is a plus).
- Minimum 5 years of proven experience in IT management or related roles, preferably in financial services.
- Strong knowledge of IT infrastructure, database management, cybersecurity, and cloud technologies.
- Experience with financial software, securities trading systems, or ERP is an advantage.
- Strong leadership, project management, and problem-solving skills.
- Excellent communication skills in both Khmer and English.
- Ability to work under pressure and manage multiple priorities.

How to apply:

- Interested candidates are invited to submit their resume and cover letter to
 - Email: info@royalgroupsecurities.com.kh
 - Telegram: 095 999 176, or 095 999 120
